- Vehicle Engineering and Design

Co-founder / Chief Executive Officer

Kishor Patil
(Co-founder & CEO)

Kishor Patil is the Co-founder, CEO and MD of KPIT Technologies Limited – one of the largest Software Integration partners to the global automotive and Mobility industry.

He co-founded KPIT in 1990. In 2018, the company decided to undergo a comprehensive merger-demerger scheme to create a mobility-focused company, KPIT Technologies Ltd. Kishor is passionate about applying technology to solve business challenges and address larger problems of the society. He is personally active in driving development and proliferation of innovative solutions in the areas of transportation and clean energy.

Under his leadership, KPIT has filed more than 50 patents, has developed over 100 IPs in cutting- edge technology in its focus areas, and has won several national and international awards including the Wall Street Journal Technology Innovation Award, and Knowledge@Wharton Technovation Award.

He has presented at various national & international forums including the World Economic Forum, on topics such as Entrepreneurship, Innovation, building high performance organizations, and business transformation.

Ravi Pandit
